JASPER JONES
 Adapted from Craig Silvey's bestselling Australian novel, JASPER JONES is the story of Charlie Bucktin, a bookish boy of 14 living in a small town in Western Australia

LO AND BEHOLD: REVERIES OF THE CONNECTED WORLD
"Herzog weaves a fantastical tale. For those looking for a ride through our modern technological world, or indeed a preview of what is to come, this is it"
 THE GUARDIAN

PERFECT STRANGERS
"A gem. Perfect. Funny and well-acted, with a brilliant screenplay that invites the viewer to sit at that table like one of the guests. Not to be missed!"
